

CONGRATS!! YOU'RE A SUMMIT ATHLETE 2027!

SEASON 29

WWW.SURREYSTARLETS.CO.UK

Welcome MESSAGE

Dear Athlete,

Congratulations! You have been selected for a Surrey Starlets Summit team and will be heading to Lisbon in June 2027. This is an incredible achievement, and we are so proud of you. We are excited to support and guide you on your journey to one of the biggest and most prestigious events in our sport.

The road to Summit will come around quickly, and it will require commitment, resilience, and consistent effort, both physically and mentally. Our goal is to help you prepare in the best possible way, and in return, we expect every athlete to demonstrate the highest levels of dedication, determination, and professionalism throughout the season.

To confirm your place on the team, a non-refundable deposit of £300/£100 is required (payment details can be found at the bottom of this page). You will receive your Summit Athlete Code of Conduct to sign on registration day; however, we want to outline key expectations now so you can fully commit with a clear understanding of what lies ahead.

TRAINING

All athletes are expected to attend both of the weekly training sessions to ensure the best possible preparation for the Summit Championships.

ABSENCE

Although the excitement of competition season builds from January, Summit-winning teams are made between September and December. This is the most crucial phase of training. During this time, whilst full attendance is expected, athletes cannot miss more than a maximum of two sessions for non-approved reasons. Scheduled breaks over half term and Christmas are in place to allow for rest and holidays.

INJURY / REMOVAL FROM SUMMIT

Athlete safety and wellbeing are our top priority. If an athlete is unable to participate due to injury for up to four weeks, a temporary replacement may be introduced to ensure continuity within the team.

If an injury results in an absence of four weeks or more, a more permanent adjustment to team placements may be necessary in the interest of team stability. In such cases, we will work closely with the athlete to find a suitable alternative team upon their return.

If an athlete is unable to compete at Summit and is replaced, we cannot guarantee that they will be able to attend the trip as a spectator. While we will always try to accommodate where possible, this cannot be assured. For this reason, we strongly recommend that all athletes take out appropriate insurance upon paying their deposit to protect against any financial loss.

LAUNCH CAMP:

New for 2026/7, we are hosting a stunt skills camp with Tony Costello, of Viqueens fame! This camp is intended for all athletes to start the season learning strong technique to enable us to progress through the year! Tony will be working with the club a lot over the year, so this is a great starting point!

Violet : Sunday 13th September 6:30-8:45pm

Mulberry : Saturday 12th September 7:15-9:30pm

PAYMENTS

A staggered payment plan will be outlined in the club handbook. Athletes are welcome to pay ahead of schedule but must remain up to date with all required deadlines.

Late payments will incur a £20 fee and must be settled within two weeks. Payments outstanding beyond two weeks will result in removal from the team.

All payments are non-refundable from the point they are made. If an athlete is removed due to disciplinary reasons, all payments will be forfeited. In cases of injury or withdrawal, claims must be made through personal insurance, as payments are immediately passed on to third-party providers and cannot be recovered by the club.

Replacement athletes are often not originally part of the Summit trip due to financial commitments, and therefore may not be in a position to cover costs at short notice. This policy ensures fairness and transparency for all athletes involved.

You will find your full Summit Athlete Code of Conduct included with your registration documents.

We are absolutely thrilled to welcome you to the Surrey Starlets Summit Cohort 2026–2027. This journey will challenge you, inspire you, and push you to achieve more than you thought possible. You are now part of something truly special, and we cannot wait to see you grow, develop, and shine alongside your team over the coming months. Let's make this another unforgettable season!

TO DO NOW:

What to do now:

- 1) Celebrate your achievement by sharing our posts on social media
- 2) Accept your space officially by completing the acceptance form :
<https://docs.google.com/forms/d/1il7mX0cbYYzCs2udumXp7Gmzg3TpGSs1qi4XTEWnDyM/edit> by Sunday 12th July 5pm
- 3) Complete the travel plan form:
<https://docs.google.com/forms/d/1UYmN0eON37B2bkSZXlztCeNaOIhag7txBh3DhyVSUo/edit> by Sunday 12th July, 5pm
- 4) Make my £400 non refundable deposit (deadline = registration day 26th July)
- 5) Ensure you have read the email, and visited www.surreystarlets.co.uk/furtherinfo Password: Season29 and read all documents, printed docs to hand in, and be ready for Registration Day on the 26th July.
- 6) Attend registration day
- 7) Book and attend Summer Training : www.surreystarlets.co.uk/summertraining

A message from **FORMER PARENTS**

We hope hearing from Razzmic 2025/26 parents can give you an indication of the level of expectation and standards for these prestigious teams:

Competing with Razzmic last year was the best cheer experience my daughter has had in her five seasons of competitive cheerleading.

The transition was not easy at first. Adjusting to a new, more disciplined style of coaching was challenging for her in the beginning. The coaches set high expectations, maintain a strict and focused environment, and ensure that every minute of training is used productively.

However, once the girls adapted to this approach, the results were incredible. The hard work, dedication, and attention to detail paid off in every performance. The team developed into a truly outstanding, show-stopping squad, and it became the best team experience we have ever been a part of.

We are incredibly grateful for the opportunities, growth, and memories that came from being part of Razzmic.

Louise – Esme's Mum

As a parent, one of the biggest things I noticed during the Summit season wasn't just how much the athletes achieved, but how much they grew as individuals.

The expectations are undoubtedly higher than a regular team. There is a greater level of commitment, discipline and accountability, and at times that can feel challenging, particularly at the start of the season. As parents, it's sometimes difficult to watch your child being pushed outside of their comfort zone, but looking back, that's exactly where the growth happened.

The standards aren't there to catch anyone out or make the experience less enjoyable. They're there because every athlete is working towards the same goal, and everyone relies on each other. The coaches expect the girls to listen, work hard, support one another and take responsibility, and that creates an environment where they can genuinely thrive.

For Lola, those expectations brought out the very best in her. She became more focused, more resilient and more confident, and she absolutely loved being surrounded by athletes who all wanted to work towards the same high standard.

My advice to both athletes and parents is to embrace it. There will be moments where training feels tough and expectations feel high, but trust the process. By the end of the season you'll realise those standards weren't there to make things harder, they were there to help every athlete become the best version of themselves.

The memories, friendships and sense of achievement that come from being part of the Summit programme make every challenge worthwhile.

Sarah – Lola's Mum
